Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.New Kids in America is an illustrated children s book that introduces elementary students to young people who have come as immigrants from nine different nations across the globe. Each tells about their home country and about their new life in America. The book is loaded with over 150 photos and illustrations that give the reader a graphic view of the homeland from which the new Americans have come. As they read about some of the hardships the new kids have endured, they may...
