The Secret History of the Court of Justinian (Paperback)

By Procopius

Createspace, United States, 2012. Paperback. Book Condition: New. 198 x 129 mm. Language: English . Brand New Book ***** Print on Demand *****. Procopius, the most important of the Byzantine historians, was born at Caesarea in Palestine towards the beginning of the sixth century of the Christian era. After having for some time practised as a Rhetorician, that is, advocate or jurist, in his native land, he seems to have migrated early to Byzantium or Constantinople. There he gave lessons in elocution, and acted as counsel in several law-cases. His talents soon attracted attention, and he was promoted to official duties in the service of the State. He was commissioned to accompany the famous Belisarius during his command of the army in the East, in the capacity of Counsellor or Assessor: it is not easy to define exactly the meaning of the Greek term, and the functions it embraced.
