Hooked on Phonics, United States, 2014. Paperback. Book Condition: New. Workbook. 287 x 213 mm. Language: English . Brand New Book. This is the first of two first grade levels of Hooked on Phonics offered in a very cost effective (\$9.95 MSRP) configuration. The kit includes a workbook, DVD with supporting content, a sticker sheet and a story book that the child who uses this kit will be able to read upon completion. It is the first time Hooked on Phonics kits have been offered at an under \$10 price point. Note that the second first grade level is not available for sale at this time. However, this merchandises very well with the two Pre-K and one kindergarten title listed in the associated titles.
