Paul Bates has aggressively tackled the herculean task of bringing the truths of this book into the 21st century. If you read Virtuous Vision with a teachable spirit you will learn much! - Dr. James G. Merritt, President, Southern Baptist Convention (2000-2002) In Virtuous Vision, author Paul Bates teaches that every believer has a vision and a dream. But how can we know our plans from God s plans? And when we know, then what? Paul draws deeply on principles gleaned from one of the most successful dreamers in the Bible-Nehemiah. In the face of ridicule, Nehemiah looked above his role as a servant and took up the call that God had placed upon his life. Paul Bates brings those ideas back to life by rebuilding them into simple, easy-to-follow lessons that will: Help you confirm your vision Show you the tools you need to maintain your vision Give you the inspiration to complete your vision Reveal warning signs that could endanger your vision Paul doesn t try to help you acquire a vision, but he seeks to reveal that you already have a vision from God. His conversational style offers an insightful, accessible way to take the dreams God has given you and to make them a reality.
