EXPIRATION DATE (PAPERBACK)

EDGE Science Fiction and Fantasy Publishing, Inc., United States, 2015. Paperback. Book Condition: New. 214 x 138 mm. Language: English . Brand New Book. This new anthology focuses on the what-ifs of the end-dates that surround us, and how they impact our lives and our world, and ourselves. Modern lives seem littered with expiration dates says anthology editor Nancy Kilpatrick. Packaging tells us when our food will go bad; when we can expect appliances to cease functioning; when contracts for the internet finish! But as annoying as these small expiration dates are, they fade to nothing compared to the larger events: when a species goes extinct; when a body of water evaporates, or dies because the PH balance alters; when giant icebergs break apart and glaciers melt forever, threatening the ecosystem of this planet. Kilpatrick reminds us From the micro to the macro in terms of expirations, we are faced with the one termination with which we are all too familiar -- the up-close-and-personal end of life for each of us and for the ones we love. It s the personal that terrifies us most because it feels the most real. Expiration Date features 25 original pieces of short fiction by some of the world s top Dark Fiction writers. Arranged in three sections, the table of contents include: Negotiating OblivionSorry Seems to be the Hardest Word -- Kelley Armstrong Banshee -- Daniel Sernine (translation by Sheryl Curtis) Riding Shotgun -- Elaine Pascale The Twenty Seven Club -- J. M. Frey Trinity Death -- Steve Vernon What I Said to Richie was? -- Ken Goldman To Dance, Perchance to Die -- David McDonald Death Doll -- Lois H. GreshResisting ExtinctionThe Long Wait -- R. B.
