Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Ally Reichel)

CAROLINA HURRICANE

Paperback. Book Condition: New. Paperback. 155 pages. A love off limits. A storm they cant fight. Haunted. Handsome. Alone. Following a bitter divorce, professor Jordan Eversole has thrown himself into his teaching and into restoring the rambling old Carolina plantation house in which he lives. Independent. Lovely. Determined. At twenty-one years of age, Sweetwater College student, Amanda Whitmore, is an old soul with a capacity for insight and devotion far beyond her years. The two are about to collide. Caught together in the plantation house by a category four hurricane, Amanda and Jordan fight the winds and their growing love for one another, caught by a storm that seems destined to push them together no matter the cost. Reviews and Other Information: There's a lot going on beneath the surface of this novel. Essentially, it's a story about freedom and choice. . . It's also about expectation. The May-December relationship isn't one they leap into without due thought, but judgement from the people around them is quick to come. Ms Dauphin handles these issues with a deft touch, making the events that follow seem believable. There's a comforting quality about the story. Jordan and Amanda seem like real people, their actions detailed. The minutiae of their lives stands in opposition to the growing storm control vs unpredictable nature. Later there's the comparison between the real storm that brings them together and the storm caused by Katie that threatens to drive them apart. . . A lovely, heart-warming sweet romance. Cocktail Reviews This is such a sweet romance, a simple story of two people who are so different yet find a common bond called love. Ms. Dauphin has written exceptional characters who are very likeable and their story is sweet and tender. CAROLINA HURRICANE is a book you will want to read...
