GINGERBREAD FOR ALL SEASONS

Harry N. Abrams, 1997. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: Thanks to more than twenty original projects in *Gingerbread for All Seasons*, delectable edible structures can be erected at any time of the year and for any occasion - from a Nantucket summer cottage to a Christmas bakery. Readers can make a lighthouse that will actually light up, a haunted house for Halloween, a Santa's sleigh for the holidays, even a gingerbread carriage for a baby shower. The full-color photographs, taken especially for this book, show off each project in its entirety and in detail. For each project there are actual-size templates, easy-to-follow instructions, and a layout diagram to assist with placement of buildings and landscaping features. There are also novel designs for lanterns that can be illuminated with a candle or night-light to decorate your house at any time of year. All accessories are interchangeable so the basics can be used to make a house of your own design.
