BEGINNINGS (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Beginnings Much has been written lately about Means and Ends ; little about beginnings, without which ends cannot be. Beginnings condition both means and ends. The tree is good and its fruit good; or the tree corrupt and its fruit corrupt. A material revolution has taken place since this book was written in 1939. Theories as to matter have been substantiated by practical demonstration at the cost of thousands of lives. Never was education more rapid nor so extensive. Old ideas will take a long time before they are properly adjusted to the new knowledge - old ideas that require adjustment. There is that which is old and requires no alteration itself, yet calls for considerable amendment in human ideas - the truth in the Bible. Old ideas as to the atom did not fit well with creation, nor did old ideas as to time. Try to think out how unintelligent matter formed itself into the myriad forms we recognise, and made itself perceptive. That is too hard, but to accidentalise force into all that is perceived can surely only be done under the direst necessity to escape from ultimate conclusions as to the consequent relationship to a Cseator. Nevertheless, nothing escapes truth in the end. To despise knowledge, being personal, is foolish, but to pervert knowledge is criminal. For so long has the Bible proved to be ahead of the knowledge or science of yesterdays that every person should conclude that scientists find out things that, while far from the business of the book to disclose in their terms, did not trip the human writers, who did not know those things. Writing as men...
