But her world is turned upside down when her beloved grandfather, Max, reveals a startling secret: Anna is part of an aristocratic family who lost everything during World War II. What s more, Max was forced to leave behind a precious item over seventy years ago in their estate in old Prussia. It s now his ardent wish that Anna retrieve it. Anna burns with questions as she heads for Germany: What memento could be so important to her grandfather? And why did he keep their history hidden? As she searches for answers, she finds herself drawn to Wil, a man who may hold the key to unlock the mystery. Together they discover that her family s secrets are linked with an abandoned apartment in Paris, and these secrets go deeper than she ever imagined. Alternating between 1930s Europe and the present, *The House by the Lake* illuminates the destiny of a family caught in the tumult of history.
