Createspace, United States, 2015. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.If you cannot find time to spend with your kids; if you want to experience the satisfaction of supplementing your kids education; if you want your kids to be prepared for grades K-20, then it would be critical for you to be a part of the demonstrations and lectures of Udemy s online course, Getting Parents and their Kids on the Same Page. This workbook and Weldon s other book, Finding Perpetual Harmony, supplements this course that you can register for at // This workbook can also function by itself, as well. So, what is this workbook all about? This workbook will concentrate on methods for developing needed tools for kids study through demonstrations. Children everywhere need sound training in the reading, writing, and arithmetic areas, but the training needs to be given in creative and interesting ways so that the children will want to learn. Some people may think that it is impossible to plan innovative programs with a small amount of money, but there are vast resources available from existing materials at little or no expense. Although most parents have talked to, traveled with, and tinkered around their young kids, they have not stopped to formalize these three T s into a teaching method. This method is needed because children spend such a large proportion of their time in the home or around parents. Here the formalized Three T s method becomes an informal way to enhance any formal educational system. What makes this workbook unique? The workbook will help guide busy parents in creating a supplemental home-based educational program to build-up their kids key cognitive strategies and higher-order thinking. In developing this program, parents will...
