Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from A Philosophical View of Reform His great contemporary, Goethe, at a certain time of his life, longed to be a painter, and strove with all his might to qualify himself for that calling rather than for literature, but he has left nothing which in mastery or poetic vision can compare with this. Unfortunately the drawing has been a good deal defaced and has suffered from a dint or scrape made by some heavy and sharp object. The size and shape of the little book suggest that it was meant to be carried in the pocket, and it probably accompanied its owner in many roamings by sea and land. A facsimile of the drawing is prefixed to the present volume. The work which, just a hundred years ago, was committed to these pages, is unfinished and in the condition of a first draft. In places the difficulty of transcription has been great. Shelley s handwriting when he wrote his final copy for the printer was both beautiful and clear, but his first drafts were blotted, scrawled, and interlined to a degree which once made Trelawney - or so he tells us - mistake a famous lyric of Shelley s for a sketch of a duck-pond. There is nothing quite so bad as this in the present MS., and some of it is as clear as one could wish, but there are many passages which it took much time and pains to decipher with certainty.
