A list of the membership of the Legislative Research Commission will be found in Appendix A. Among the Commission s duties is that of making or causing to be made, upon the direction of the Co-Chairmen of the Commission, such studies of and investigations into governmental agencies and institutions and matters of public policy as will aid the General Assembly in performing its duties in the most efficient and effective manner [G.S. 120-30.17] Section 1 of Resolution 83 of the 1977 Session Laws directed the Legislative Research Commission to study the Feasibility of Establishing a Sea World in the Coastal Area of North Carolina. This Resolution is attached as Appendix B. The Resolution specified that the Commission study anticipated visitor use of a Sea World facility, the likelihood of such a facility being self-supporting and the recommendation of a name for the facility. The Commission assigned the study to the Sea World Study Committee. Senator Luther J. Britt, Jr., was appointed to chair the Committee. At his death on July 19, 1978, Senator Russell Walker was appointed to replace Senator Britt. Senator Charles E. Vickery and Representative Richard Wright were appointed Co-Chairmen.
