Createspace, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.What is Monkeyassassins: A Chronic Odyssey all about, and why should you care? Let me put it this way. Humanity seems to be at a precarious crossroads with no true sense of direction. The future looks bleak. Monkeyassassins is a cathartic catalyst for positive, peaceful change. Evolution through revolution is our last salvation. I m purging the demons of Mankind and the only way out is through God. Do you believe in freedom of speech? Animal Rights? Separation of Church and State? Sexual liberation? Marijuana legalization? I journey into all these thorny but important issues with a jeweler s scrutinizing eye and a surgeon s steady hand. I don t flinch. I get ferocious. I breathe in, hold steady, aim, squeeze, breathe out. I m a survivalist and I ll teach you how to be one, too. You will see your own dazed and confused reflection within these pages just as I do, and we ll get through it together, it s okay. My book addresses our core fears, addictions, compulsions, desires, obsessions and societal ills. Our malevolent menagerie of frivolous fascinations. How do we get these monkeys off our backs now? Where do we go from here and who can we trust to lead us there? Should we be followers in the first place? We re quickly becoming a less free and less secure people. Citizen s rights is being eroded and privacy is extinct. What we take for granted isn t dependable anymore. I chose to self-publish this through because I want to avoid censorship, and this is an odd and provocative book that doesn t fit well into any established literary genre, even though it...
