2016. PaperBack. Book Condition: New. 197 ABOUT THE BOOK:- Why is there so much of injustice in the society? Is equality possible? Why do we form groups? What is Power? Are we going to see more conflicts in the future or will the future herald a new era of peace? What does the past predict about the future? Does history repeat itself? Will history repeat itself? Is there something we can do? Our Egalitarian Universe (OEU) is a series of reflections on these questions. It is an attempt to find solutions to social problems in a preemptive way by drawing on various disciplines ranging from macro history to economics to sociology, management studies and psychology. ABOUT THE AUTHOR:- Arpit Chaturvedi is an MBA from Symbiosis Centre for Management and Human Resource Development and a Bachelor of Arts with Honours in History from Kirori Mal College (University of Delhi). As a management consultant, he has worked in the consulting arm (Right Management) of the Fortune 500 Manpower Group. His experience in dealing with social issues ranges from working for labour development in factories at various regions of the country in organizations like Philips and Powergrid Corporation of India Ltd. as well as from his experience of working with the National Commission for Scheduled Castes and the National Foundation for Communal Harmony. His flair for writing stems from his childhood days when he was part of the editorial team of the annual magazine of Mayo College, Ajmer. He continued editing and working on articles related to socio-economic issues in the capacity of the chief editor of the History Society Journal at Kirori Mal College and as editor of the HR Mesh - the monthly human resource management issue of the HR Forum at his MBA institute. Here Arpit took the initiative of founding a social science forum to...
