Laurel Fork Press, United States, 2013. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.In his second adventure, Doodle, that incorrigible but good-hearted labradoodle, still works as a bed bug dog for the boss, Josh Hunter of Hunter Bed Bug Detection. Doodle likes to keep his relations with humans on a business basis. Do the job, get paid-in his case, with treats. So far so good, except when it comes to Molly, the boss s ten year-old daughter. Somehow, Doodle wants to please her even when she doesn t have treats. He can t explain it, but that s how it is. His nose gets put to the test when Molly starts training him to find something very different from bed bugs to clear her best friend s brother from drug charges. But then, during a practice with the boss for an important certification trial, Doodle fails to find two vials containing bed bugs. The boss worries that Molly s training has ruined Doodle s ability to do his job. Or that Doodle might be losing his sense of smell. It takes all of Molly s ingenuity and Doodle s keen intelligence to sniff out the real villains and set things right again.
