Deck Patio Idea Book Outdoor Rooms Shade and Shelter Walkways and Pat Taunton Home Idea Books

By Julie Stillman

Taunton Press. Paperback. Book Condition: New. Paperback. 172 pages. Dimensions: 10.7in. x 9.1in. x 0.6in. No longer just a bland square of pressure-treated lumber nailed to the back of the house, decks have taken on new shapes, surfaces, and levels. And patios have evolved from dull slabs of poured concrete to encompass a wide range of forms and materials--from warm brick to chic bluestone to casual gravel. Taunton's Deck and Patio Idea Book is a photographic exploration of the possibilities for these spaces, and the features that define them, including railings, built-ins, and overhead structures. Hundreds of photos depict the full spectrum of styles and sizes, from the simple wraparound deck, to the curved, multilevel redwood deck with outdoor kitchen; from the small brick patio to an elaborate series of terraced patios with stone walls. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.

Reviews

I actually started looking over this publication. It really is rally interesting throgh studying period. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- Dana Hintz

Good electronic book and valuable one. It really is basic but unexpected situations in the 50 percent in the pdf. You wont really feel monotony at at any moment of your time (that's what catalogues are for concerning when you ask me).
