Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from *The Dual Revolutions: Anti-Slavery and Pro-Slavery* He who shall succeed in writing a perfect history of American Abolitionism, including its last great triumph, under Mr. Lincoln's new government - he, who shall succeed in a perfect analysis of the measures and teachings of that pestilent brood of fanatics and madmen, and shall trace out and record their efforts to overthrow the government of the Union, will merit the applause of his country, and the approbation of posterity. It is not the purpose of these few pages to accomplish this formidable work. They are designed only as a sort of reconnoissance - a preliminary survey of the ground - and perhaps, to remove some of the obstructions which impede the progress of historical and critical investigation. It is an ungrateful task; because it involves the exposure of measures and combinations, not only discreditable to the immediate parties thereto, but to the whole American people, who, at least, have been silent witnesses of their progress. The seat of these infamous combinations is in New England. It is New England that has sent down that horde of Appenine wolves, which have torn the Union to atoms, and are now feeding on its vitals. That the great public is blameless, cannot be maintained. That they are, to a certain extent, responsible for the evils which now afflict the nation, no rational mind will deny. Their crime is that of submission, rather than of aggression; - that of being deceived and misled, rather than of willful heresy to the Union, and dishonest refusal to fulfill its obligations. We have caused the rebellion. 1. By subverting the government. 2. By...
