Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. annotated edition. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.This book offers 168 gospel songs, a lifetime supply of commonly-played, traditional people music . Each song is annotated with key-independent chord changes (a.k.a. Nashville number system), jammability , and tonal information useful for playing by ear and for singing lead and harmony. The people music being played today, otherwise known as bluegrass or mountain music, evolved out of a unique blend of many styles of music, coalescing in 19th-century Appalachia. Vigorous Anglo-American mountain music, old English ballads, Afro-American gospel music, and many other traditions all contributed to the growth of the music. Like its cousins, Native American and African music, it is rooted in a driving, primal rhythm, and it lives and breathes in its SOCIAL experience! For more information, go to.
