Expeditionary Warrior 2012 (Paperback)

By Marine Corps Warfighting Laboratory

Createspace, United States, 2014. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.This book provides observations and insights from Expeditionary Warrior 2012 (EW12), the latest iteration of the Marine Corps Title 10 wargame. The EW series serves as a responsive means to examine operational concepts and future capability requirements for the senior leadership of the Marine Corps. Following up on EW11's initial examination of the Joint Operational Access Concept (JOAC), EW12 sought to further identify potential gaps and opportunities that would enable joint force access to required operational areas against capable adversaries in an anti-access, area-denial (A2/AD) environment. As a global power, the United States must be able to project military power into any region of the world in support of its strategic interests. Over the past several decades, the United States has been able to deploy forces to an operational area virtually unopposed - from the free flow of personnel and supplies to Korea, Vietnam, Desert Storm, and more recently, to the unchallenged deployment of forces and equipment to Afghanistan in support of Operation Enduring Freedom in 2001 and Kuwait for Operation Iraqi Freedom in 2003. However, current...
