

Birds (Paperback)

By Jim Flegg

HarperCollins Publishers, United Kingdom, 2004. Paperback. Book Condition: New. 116 x 82 mm. Language: English . Brand New Book. The ideal portable companion, the world-renowned Collins Gem series returns with a fresh new look and updated material. This is the perfect pocket guide for keen birdwatchers and nature enthusiasts to identify the most commonly seen species in Britain and Europe. Authoritative text and beautiful photographs show the distinguishing features of each bird, including notes on appearance, colour and distinctive features, and information on juveniles, range and habitat, nests, call and breeding sites. In addition, an extensive introduction covers general information on plumage, habitats and migration, and gives first-time birdwatchers advice on what equipment to buy and where to go to spot the most desirable species. This new edition builds on the strengths of the unrivalled original, covering over 200 species of bird found in Britain and Europe.

Reviews

This publication can be really worth a go through, and a lot better than other. It is actually written in straightforward words and phrases instead of confusing. I discovered this pdf from my dad and I suggested this publication to learn.

-- Jackeline Rippin

A high quality book and also the font employed was intriguing to read. I was able to comprehend every thing out of this created e book. You won't really feel monotony at whenever you want of the time (that's what catalogues are for concerning should you check with me).
