ARE WE SPITTING ON OUR ANCESTORS GRAVES? (PAPERBACK)

Lulu.com, United Kingdom, 2013. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.Because we should be accountable to our Ancestors, I believe that we must somehow begin this phase of having a kind of dialogue that will favorably get this momentum for this concern out there for the best desired results in an attempt to show a little respect for our own. Perhaps there may be some out there who may not care enough about this issue, think that they have arrived on their own recognizance or that they are totally disconnected to their Ancestors whose shoulders they stand on. I certainly differ with that perspective of not caring or being concerned and further offer this work as a point of reference to assist in making that possible connection for the best results to impact our daily lives with respect to these phenomenal shoulders of our Ancestors that we stand on.
