The Learning World of Krystie and Thomas was written for the 21st century. Its storylines have taken into account the issues that many children face in today s society and what children in today s world can relate to. Krystie, Thomas and friends get a healthy start by making smart decisions. They begin this path with the help of their mentors: their parents, and their teacher, Mrs. Sparks. The children experience everything from setting financial goals to conducting themselves with integrity, learning how to be safe on the internet, bullying and how to deal with it and everything else in between. About the Authors: The Learning World of Krystie and Thomas started as Elizabeth Benjamin, founder and co-author of the series...
